ABRAHAM LINCOLN.

A very strange and incomprehensible order has been received from Gen. Scott, directing Gen. Wool, who has been in this city for some time past superintending the departure of troops, to return to his headquarters in froy. The terms of this letter have created quite a sorm of indignation among our citizens. Gen. Scott isumes that Gen. Wool is "in infirm health" and is not able to assume a command in the field, while many people do not hesitate to assert that he is in more robust ealth than Gen. Scott himself. "The Union Defence Committee" are very much displeased with Gen. Scott's order, and it is said it has dampened their ardor not a little, and will render them cautious about volunteering their services further. The following is the remarkable letter of Gen. Scott, sent by Gen. Wool to the commit-HEADQUARTERS OF THE ARMY,

WASHINGTON, APRIL 28, 1861. Major-General John E. Wool, U. S. A., Commanding Department of the East, New York City:

The General regrets your infirm health does not permit him to assign you to an important command away from our headquarters, and he commands that you return to Toy to conduct the ordinary routine duties of your partment and for the recovery of your health known y him to be feeble.

I have the honor to be, General, respectfully, your bedient servant. E. E. TOWNSEND,

(Signed.) Assistant Adjutant General. The publication of the above letter by permission of beneral Wool will, no doubt, tend to still further embarras the relations between that officer and the General-15-Chief. Being contrary to the rules of military liquette for a subordinate officer to give publicity to the orders of the Commander-in-Chief, we shall not be surprised if Gen. Wood should be at once court martial-

REVIEW OF THE WILMINGTON MARKET FOR THE WEER ENDING MAY STR. 1861. Since our review of Wednesday last nothing new has transpired in the market for country produce. Only one or two vessels have arrived during the week, and for the want

of shipping buyers generally have withdrawn from market, so far as Naval Stores and Cotton are concerned. In Provisions we have no change of consequence to report, as the sales for a week or two past have been principally in the machinery overhauled and repaired. All work warranted retail way. We give below all the sales we have been able to obtain for the week just ended: TURPENTINE - During the week just ended there has been hardly any demand for this article, the scarcity of vessels preventing shipments, and the market has ruled dull ; there

\$1 20 for virgin, and 75 cents for hard, per 280 lbs.;-since to give anything like a correct quotation of the market. SPIRITS TURPENTINE-Was in moderate request for shipment during the early part of the week, but the transactions were light in consequence of the meagre quantity offering ON THE NATURE, TREATMENT, AND on market, and prices fluctuated from 324 to 35 cents per RADICAL CURE OF SPERMATORRHEA, gallon. On yesterday there was some enquiry from buyers, and the price advanced, sales being made at 33 to 34 cents

or Seminal Weakness, Sexual Debility, Ner--closing at the latter pride. Wednesday. 70 bbls. at 321 a 34 cents per gallon. Thursday,.. 50 " " 33, 34 a 35 " 81 Tuesday 120 " " 33 to 40 Wednesday. 20 " " R sin .- The market is dull for all grades, and prices are

lower. On Thursday last we notice sales of 3,000 bbls. Common at 60 cts. per bbl. of 3:0 lbs. No other sales re-TAR .- None of consequence coming in, and no demand. We quote sales in the early part of the week of 450 bbls. at BEEF CATTLE-Are in demand, and would sell quick at

high figures. None received, and consequently we have no sales to report. Corn .- The market is well supplied at present, still we not ce a fair demand, and prices have improved a shade .-Is HEREBY given that the firm heretofore known as the firm of BARDEN & PETERSON no longer exists, so 3,500 do so d on private terms, 1,900 do. damaged at 65 cts. 2,700 do. a 66 cents, 1,400 do. at 68 cents, and 2,900 do at 70

cents per bushel ;-the balance came to dealers and has gone FLOUR. - Very little has been brought to market for a week or two past, but the stock in store is fully adequate for present wants. The sales in State brands during the week have been confined to small lots from store at \$8 50, \$9 to \$9 50 for superfine, and \$9 50 to \$10 per bbl. for family. In other articles there is nothing doing except in the re-

CHARLESTON May 6 .- Cotton .- There was an active demand for the article, which resulted in the sale of 2029 bales, at prices showing an irregular advance of 1-2 to \$c on those of last week. The particulars are as follows: 37 bales at 10; 214 at 10½; 28 at 10½; 39 at 10½; 104 at 10½; 19 at 11; 33 at 11½; 173 at 11½; 148 at 11½; 707 at 12; 85 at 12 3-16; 320 at 124; 37 at 121; 59 at 124, and 35 at 134c. We quote HIGH POINT, May 1 .- Wheat-Red \$1 25 to \$1 30; white

\$1 40. Flour \$6 to \$6 50. Corn 70 a 75 cents. Lard 11 a 124 cents. Bacon dull at 9 a 10 cents. Salt per sack \$2 25. Peaches, pared per lb. 8, unpared 4. Beeswax in demand at 25 a 26. Butter wanted at 20 cents. Fish-Mullets \$8; Tiout \$8; Herrings \$6. Eggs 8 cents per dozen. Rags 24 held in this State, and the vote shall be counted and the of the said Southern States, or specie, only, will be received.
